

RCS EXTENDED CARE INFORMATION 2006-2007

Realizing that transportation and childcare complications often occur for working parents, RCS is committed to assist with childcare before and after regular school hours. This care is available by separate contract and separate fee schedule.

Morning extended care begins at 6:30 a.m. and continues until school begins. (Breakfast will be provided.) Afternoon extended care begins when school dismisses and is available through 5:30 p.m. (A snack will be served.) A late fee of \$5.00 per fifteen minutes will be assessed after 5:30 p.m. Any student who is picked up late habitually may lose the privilege of participating in the extended care program.

Due to staffing necessities, fees will be based on anticipated daily attendance. No refunds will be given for days of care not used.

Fees and charges will be due according to the agreement between the parent and office.

Please check the extended care option needed. (Note: Parents may not arbitrarily switch back and forth among options, especially where single days are concerned. The office must clear any necessary changes.)
